## CATHOLIC SCHOOL

Dear Parents and Guardians,

Peace to you in Jesus' name! As principal of St. Raphael Catholic School, it is my privilege to welcome you to our school! Educating students since 1951, St. Raphael's Catholic School nurtures the development of each child through faithful Catholic Education that stresses the truth, beauty, and goodness of the person of Jesus Christ. We begin each day with the Morning Offering, pray the Angelus together at noon, and attend Mass weekly which is followed by Confession for all whom wish to receive the Sacrament. Our PreK-Grade 8 Classical Curriculum develops the whole child - spiritually, academically, physically and socially. Students are engaged through formal instruction, multi-disciplinary units of study, presentations, technology, small and large group projects, and individual research opportunities equipping them with the tools necessary to be successful in the 21st century.

Teaching our children that they are made in the image of God and have been created to love and be loved, we focus on the unique gifts and calling of each of our students. With a proven commitment to academic excellence, recognizing students have different learning styles, striving to meet individual needs with flexible instructional practices, offering a variety of opportunities for individuals to share their special skills and talents, our students grow into faithful, confident, and joyful missionary disciples of Jesus Christ.

Every day at St. Raphael Catholic School we are –  
***Growing Together in Faith and Knowledge!***
