

WHAT TO EXPECT FOR DISTANCE LEARNING

Saint Raphael Catholic School

Live Class Time

Saint Raphael's is centered around community and relationships. For this reason, students who are learning remotely will have opportunities each day to participate in a Google meet with students in their classrooms.

Digital Learning Platforms

Teachers and students will use Google Classroom to enhance learning and stay organized.

Access to Teachers

Each teacher will have scheduled office hours. Students who are learning from home can contact their teachers via Google Meet during these times.

Check out the videos located on the Distance Learning page of our website for more information on Google Classroom, Meet, and other resources.

Contact bria.wunderlich@srsmn.org with any questions or concerns regarding distance learning!
