3. We have no access to the school, the bathrooms or the drinking fountains. Players and Visitors should come, knowing they do not have access to these facilities. In case of an emergency, we have a restroom in our Church that can be used. A SVDP employee and /or coach will escort you over to the Church if necessary.
4. All players and coaches must sanitize their hands pre game, at half time and after the game is completed.

9. **Masks are mandatory for sideline viewing of the game for ALL fans on both sides of the field.** In addition, any communication with the coaches or referees, a mask must be worn. If you wish to stand alone, away from the game and spectators, you can refrain from wearing a mask. If you are near the field and players, you will be required to wear a mask. SVDP staff will be present to ensure that this is occurring.
10. We ask that once parents or fans drop off their player with their team, that they have no contact or communication with their player until the game is complete. Please do not bring them food/water near their team bench. This is to minimize the player's exposure.
